

Front Outer Cover
5.50" X 8.50"
(Flat Size: 5.50" X 8.50")

Bleed Area: 0.13" - We aim to trim this area off, but some movement can occur. Extend your design into this area to avoid white gaps that could occur due to paper movement.

Quiet Area: top: 0.25", right: 0.25", bottom: 0.25", left: 0.50"- Keep any text or important elements away from this area. This area has a safe distance to allow for any paper movement as the trimming and binding can be done further in than expected.

Trim Area - Also referred as the outer edge. Matches the finished size of your project

Fold Line - Also referred as the inner edge. This is where the document will be folded or bound.

Back Outer Cover
5.50" X 8.50"
(Flat Size: 5.50" X 8.50")

Bleed Area: 0.13" - We aim to trim this area off, but some movement can occur. Extend your design into this area to avoid white gaps that could occur due to paper movement.

Quiet Area: top: 0.25", right: 0.50", bottom: 0.25", left: 0.25"- Keep any text or important elements away from this area. This area has a safe distance to allow for any paper movement as the trimming and binding can be done further in than expected.

Trim Area - Also referred as the outer edge. Matches the finished size of your project

Fold Line - Also referred as the inner edge. This is where the document will be folded or bound.

Body
Body Left
5.50" X 8.50"
(Flat Size: 5.50" X 8.50")

 Bleed Area: 0.13" - We aim to trim this area off, but some movement can occur. Extend your design into this area to avoid white gaps that could occur due to paper movement.

 Quiet Area: top: 0.25", right: 0.50", bottom: 0.25", left: 0.25"- Keep any text or important elements away from this area. This area has a safe distance to allow for any paper movement as the trimming and binding can be done further in than expected.

--- Trim Area - Also referred as the outer edge. We aim to trim this area off to the final size, but some movement can occur.

--- Fold Line - Also referred as the inner edge. This is where the document will be folded or bound.

Body
Body Right
5.50" X 8.50"
(Flat Size: 5.50" X 8.50")

Bleed Area: 0.13" - We aim to trim this area off, but some movement can occur. Extend your design into this area to avoid white gaps that could occur due to paper movement.

Quiet Area: top: 0.25", right: 0.25", bottom: 0.25", left: 0.50"- Keep any text or important elements away from this area. This area has a safe distance to allow for any paper movement as the trimming and binding can be done further in than expected.

Trim Area - Also referred as the outer edge. We aim to trim this area off to the final size, but some movement can occur.

Fold Line - Also referred as the inner edge. This is where the document will be folded or bound.

Cover Spread Outer Back

5.50" X 8.50"

(Flat Size: 11.18" X 8.50")

- Bleed Area: 0.13" - We aim to trim this area off, but some movement can occur. Extend your design into this area to avoid white gaps that could occur due to paper movement.
- Quiet Area: top: 0.25", right: 0.50", bottom: 0.25", left: 0.25"- Keep any text or important elements away from this area. This area has a safe distance to allow for any paper movement as the trimming and binding can be done further in than expected.
- Trim Area - Also referred as the outer edge. Matches the finished size of your project
- Fold Line - Also referred as the inner edge. This is where the document will be folded or bound.

Cover Spread Outer Front

5.50" X 8.50"

(Flat Size: 11.18" X 8.50")

- Bleed Area: 0.13" - We aim to trim this area off, but some movement can occur. Extend your design into this area to avoid white gaps that could occur due to paper movement.
- Quiet Area: top: 0.25", right: 0.25", bottom: 0.25", left: 0.50"- Keep any text or important elements away from this area. This area has a safe distance to allow for any paper movement as the trimming and binding can be done further in than expected.
- Trim Area - Also referred as the outer edge. Matches the finished size of your project
- Fold Line - Also referred as the inner edge. This is where the document will be folded or bound.
